

Description

Canem expert offers natural croquettes of premium composition for dogs, following a recipe developed by veterinary and canine nutritionists, available exclusively via the Internet, in the form of a subscription. It stands out by offering the possibility to define the food profile of his dog and to choose the range of croquettes perfectly adapted according to the latter, according to his age and his physical activity. These clients are very attached to their animal, they have a harmonious relationship with their dog and are attentive to the advice provided by the veterinary and behavioral service of Canem Expert. With an average age of 42, these families and elderly people take all their care for the well-being of their animals.
